I understand that the Pittsburgh Passion Fastpitch Softball Program ("Passion") does not provide primary medical or accident insurance for participants, and I hereby certify that my daughter is covered by a personal insurance policy, or is included in a policy which I have in force. I understand in case of minor first aid or illness that care will be administered by the attending adults. I hereby release Passion and its managers, coaches and administrators, from any claims, demands, liabilities, or causes of action, from injuries of whatever kind which my child may suffer from or arising out of the activity (softball and related travel) in which I have permitted my child to participate and/or related in any way to her participation in the Passion program in any capacity. I also certify that my daughter has received a physical exam within the last year and is able to participate in all softball and related activities of the Passion program.
